

Travail à faire

Ouvrez la société Knit-Wave et modifiez le mode de calcul de la rubrique **prime de 13^e mois** dont le code est **PRIME13** (catégorie gain). Elle sera égale au salaire de base multiplié par 30 %.

- Mode de calcul = Base * Taux,
- Base = SBASE (sélectionner dans les variables),
- Taux = 30.

Autocorrection

The screenshot shows the 'Rubriques' window in the Ciel Paye software. The window has a title bar with a 'Pa' icon and a close button. The main area is divided into several sections:

- Code:** PRIME13
- Impression sur bulletin:** si non nul (dropdown)
- Libellé:** Prime 13ème mois
- Caisse:** (empty field) ...
- Regroupement:** (empty field) ...
- Type:** gain (dropdown)

Below these fields are four tabs: 'Eléments de calcul', 'Prise en compte', 'Validité', and 'Déclarations'. The 'Eléments de calcul' tab is selected.

Under the 'Eléments de calcul' tab, the following settings are visible:

- Mode de calcul:** Base * Taux (dropdown)
- Base:** SBASE (text field) with a '\$' icon and a 'soumis à table' checkbox.
- Taux:** 30 (text field) with a '\$' icon and a 'soumis à table' checkbox.
- Résultat:** (SBASE) * (30)/100 (text field)
- Part patronale:** (empty field) with '\$' and '€' icons and a dropdown.

Below the 'Eléments de calcul' section is a checkbox for 'Condition d'application'. If checked, it would lead to a section with two text fields and '\$' icons, and a 'compris entre' label.

At the bottom of the window, there are buttons for 'Ok et Créer', 'Aide', 'OK', and 'Annuler'. There are also navigation icons (back, forward, etc.) between 'Ok et Créer' and 'Aide'.
